

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE IMPLEMENTATION OF LOCAL
NUMBER PORTABILITY

) ADMINISTRATIVE
) CASE NO. 371

O R D E R

On January 16, 1998, the Commission issued an Order requiring competitive local exchange carriers ("CLECs") to supply information regarding which territories they intend to serve with their own switching facilities. Responses received to date indicate that at least one CLEC intends to use its own facilities to serve BellSouth Kentucky MSA exchanges identified in Attachment A.

Inadvertently the January 16, 1998 Order was not served on several CLECs. Accordingly, the Commission now serves it on these CLECs and orders them to respond.

IT IS THEREFORE ORDERED that:

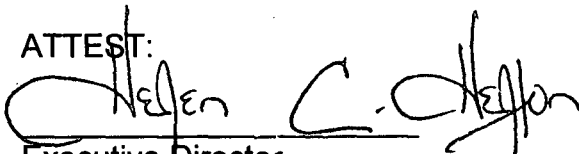

1. Within 10 days of the date of this Order, each CLEC not previously responding shall complete the form appended hereto as Attachment B.
2. Each CLEC shall supply its name as indicated on Attachment B and shall state in a cover letter with this docket heading that the information is confidential and proprietary.
3. All responses shall be afforded confidential treatment and not open to the public.

Done at Frankfort, Kentucky, this 2n day of April, 1998.
